

Welcome to the Red Lion Community Group Newsletter

*** SHARE OFFER EXTENDED ***

While we haven't yet reached our minimum target, we are enormously encouraged by the recent, and considerable, revived interest in our venture. We are also confident that ongoing initiatives we have put into action will be effective in attracting even more new interest and investment. Crucially, it is vital that we keep alive our offer to purchase the Red Lion Inn. So, while the property remains on the market, we will continue to raise funds through our share offer.

If you are interested in supporting our exciting venture to bring a once successful pub back to life, and restoring many social community benefits, then do pledge to buy shares in the project. We will call on these pledges at the appropriate time, once we have successfully negotiated a purchase of the property with the seller.

To pledge your support simply send an email to:
